NEWLY ENTHRONED BISHOP COMES TO MINDEN

On Thursday, September 29th, 1966, at 8 p.m. in the Cathedral Church of St. James, Toronto, the Right Reverend George Snell was enthroned as the Eighth Bishop of the Diocese of Toronto. He walked up the long aisle of St. James Church, "alone and unescorted" as the rubric in the Enthronement Service instructed, to become our new Bishop.

On Sunday, October 23rd, 1966, at 11 a.m. in St. Paul's Church, Minden, we welcome Bishop Snell not only as our newly enthroned Bishop, but as our 100th ANNIVERSARY GUEST. A Bishop in the Anglican Church is really someone who truly shares in the work and ministry of each Incumbent in every Parish. At my Induction on Monday, June 29th, 1964, the responsibilities of the Mission Parish of Minden were placed before me with these words: "Accept this charge, which is mine and thine —". Thus, we welcome the Right Rev. George B. Snell and his wife to our village of Minden

and extend to him every courtesy.

Bishop Snell will celebrate the Service of Holy Communion with us, preach a Sermon, and dedicate a Centennial Plaque on which is recorded the names and dates of all the Clergy who have served in this Mission of Minden. Everyone in the community is invited to share in this Service and Dedication with us, and afterwards to join in the Reception that will be held in the Parish Hall of St. Paul's. This will conclude our 100th Birthday Celebrations and I know that many of you will not want to miss this outstanding event in our history.

We welcome our new Bishop not only as a scholar of reputation but also as a kindly fellow human being whose record is most significant. He is a graduate of the University of Toronto, receiving a Bachelor of Arts Degree in 1929, and in the following year his Master of Arts Degree, while in 1937 he earned his Doc-

torate of Philosophy. As a Graduate of Trinity Theological College, Toronto, in 1931, he was ordained Deacon and then in the following year ordained Priest. From this same Theological College in 1948 he earned his Doctor of Divinity Degree. For eight years, he served as Assistant Curate at the Church of St. Michael and All Angels in Toronto, and then another eight years as Rector of this same Church. Called to higher responsibility he served as Rector of the Cathedral Church of the Redeemer in Calgary, becoming the Dean of Calgary Diocese from 1948 until 1951. In 1951, he came back to Toronto as Rector of St. Clement's Church, Eglinton, which position he held until his election as Suffragan Bishop of Toronto on November 2, 1955. He was Consecrated Bishop in the Church of God on January 25th, 1956, in St. James Cathedral, later on many Diocesan and General Synod Committees, while still assisting in community and cultural endeavours being a Director of the Toronto Symphony Orchestra. On July 1st, 1966, he became Bishop of this Diocese of Toronto.

DISTRICT DEPUTY GRAND MASTER ATTENDS ARACADIA LODGE, HERE

Some 85 Masons attended Aracadia Lodge No. 440 here in Minden last Friday evening, on the occasion of the inspection by the District Deputy Grand Master, Rt. Wor. Bro. Chester F. Godwin.

Those present came from 14 Masonic lodges in Victoria District and the officers and members of the local lodge were privileged to host one of the largest gatherings of masons held in Minden for some time.

Mr. Godwin, who is a resident of Burnt River, was accompanied on his inspection by Wor. Bro.

Ray Handley also of Burnt River, District Secretary, and Bro. Rev. James Harrison of Fenelon Falls, District Chaplain.

Rev. Charles A. Dymond of Minden was initiated into the Masonic Order and his father, Mr. John Dymond of Toronto was among those present.

The proceedings at the lodge were preceded by a banquet held at the church hall. St. Paul's Anglican Church. The Ladies Guild served 75 Masons a fine turkey dinner which was thoroughly enjoyed by all.

INTERMEDIATE HOCKEY MEETING FRIDAY EVENING

There will be a meeting on Friday evening at 8:00 p.m. in the Minden Arena, for all those interested in playing Intermediate hockey, or supporting hockey in Minden.

Hockey at Intermediate level in Minden will rest on the turnout at this meeting.

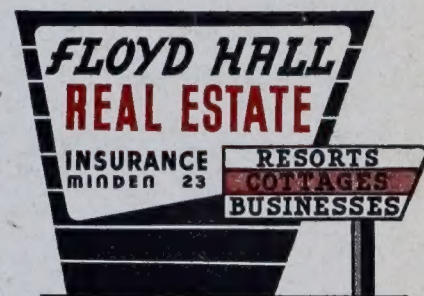

KINSMEN WILL CANVASS MONDAY EVENING IN AID OF CYSTIC FIBROSIS

On Monday evening, October 24th, the Kinsmen Club of Minden will canvass door to door selling Hallowe'en candy. They will be calling between the hours of 7 and 9 p.m.

They ask for your support, in helping them fight Cystic Fibrosis.

The Library in any community, large or small, serves a very useful service — and it is one of the most overlooked functions in the community. The library is always taken for granted, and the people who, through a dedicated service, keep this function in operation are also taken for granted.

To keep you informed of what OUR Library is doing and the dedication that Mrs. Sears has to the reading public, the Progress will give you all the details within the next three weeks. Watch for it — this organization will surprise you.

The closer one approaches to retirement the more you wonder about what you are going to do. "The real problem of your leisure is how to keep other people from using it."

* * * *

Travelling around the country, sign reading can be quite interesting. For instance this sign on a Dance Hall in the centre of Toronto. "Good Clean Dancing every night but Sunday."

Coffee took a drop in the Modern Aire the other morning. As the young lady was preparing the container it slipped through her fingers and went "smuck" onto the floor.

So, you see, coffee did take a drop.
However, it still sells for 15c.

I thought you might be interested in this one — it was just signed "Friendly".

Dear Fink — just a few lines to let you know how much we enjoy your column. We don't always agree with you but then, that's life.

At times your efforts remind me of a Texan who died and he was of such a stature that they were unable to get a coffin large enough for him. They solved the problem though, they gave him an enema and buried him in a shoe box".

* * * *

Thank you very much "Friendly" there is only one problem though, you keep spelling Finch incorrectly.

Tracks are in the news again. There still has been no answer to the earlier "manifestation".

This latest mystery is located at the new addition to the "Progress" office. At the base of the building there is a small slanted ledge running around to the back of this building. This is where the tracks appeared. They are unusual in that they appear to have been made by a tri-ped. The front track is single and the rear is double. To add to the mystery further the animal must have been of a terrific weight as the pad marks are driven into solid cement.

See them for yourself and maybe you can give us some answer to the problem.

We may have to bring in psychic investigators yet.

And so another week has rolled around. There is a little more talk on Lorne Coburn's idea of an exercise club and "Bill" Payne's letter has aroused some interest. How about it?

WARDEN'S BANQUET AN ENJOYABLE EVENING

On Saturday evening, October 15, all Municipal officials attended the Warden's banquet at Drag Lake Lodge.

Warden Garry Agnew played host to some seventy-five guests, and staged a very enjoyable evening for all. A social get-together preceded the banquet, between the hours of 5 p.m. and 7.30 p.m.

Head table guests at the ban-

Warden Garry Agnew

quet were, Mr. Frank Welch, County Clerk-Treasurer; Mr. Bill Scott M.P. and his wife; Mr. Glen Hodgson M.P.P. and his wife; Mr and Mrs. William Cowen, immediate past Warden, and Mr. Garry Agnew, Warden and wife.

At the conclusion of the meal, Warden, Garry introduced everyone at the banquet from the head table, and it might be said, did an admirable job.

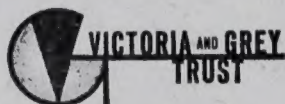

Speeches were heard from those at the head table, along with each Reeve of the different municipalities in the county.

At the conclusion of the banquet, an evening of music and dancing followed, held in the lodge recreation hall.

Politician, intellect, lawman describes Earl Palmer to the fullest. He is a man with much knowledge in many different fields, and has very little trouble describing different phases of life, or putting a clear point across in conversation.

Earl came to practise law here in Minden in 1958, buying the practise from Mr. Hugh T. Nichol Q.C. Mr. Nichol was the first resident lawyer in the county, establishing his practise in 1948.

Earl said, for a lawyer looking to practise law in this county, Minden is an obvious place, since it is the county seat, and features Magistrate's court along with the Registry office.

Mrs. Ruth Brown has worked her entire career in law offices, coming to Minden from Toronto. Mrs. Brown has been working in this office since 1954, and needless to say is a great asset, as Mr. Palmer's secretary.

Mrs. Janet Heath also works as secretary, she too has had much experience in law, coming to Minden from Bellville, she has been employed part time over the last three years.

Earl spent three years in the Royal Canadian Air Force, from 1942 - 45, obtaining the rank of Flying Officer. He was stationed at Training Command here in Canada, and his position here was training pilots.

Some of his activities include the Masonic Lodge, where he is Master this term. He is also a Shriner, and of course one of the highlights of this organization here in Minden is when they entertain a bus load of children, by taking them to the Shrine Circus each year in Peterborough.

Mr. Palmer holds down office in the United Church as recording Steward for this charge. He is also a member of the curling club here, and enjoys the sport immensely. He has been over the years, and continues to be, very active in the Young Progressive Conservative Association, he was past president in 1963.

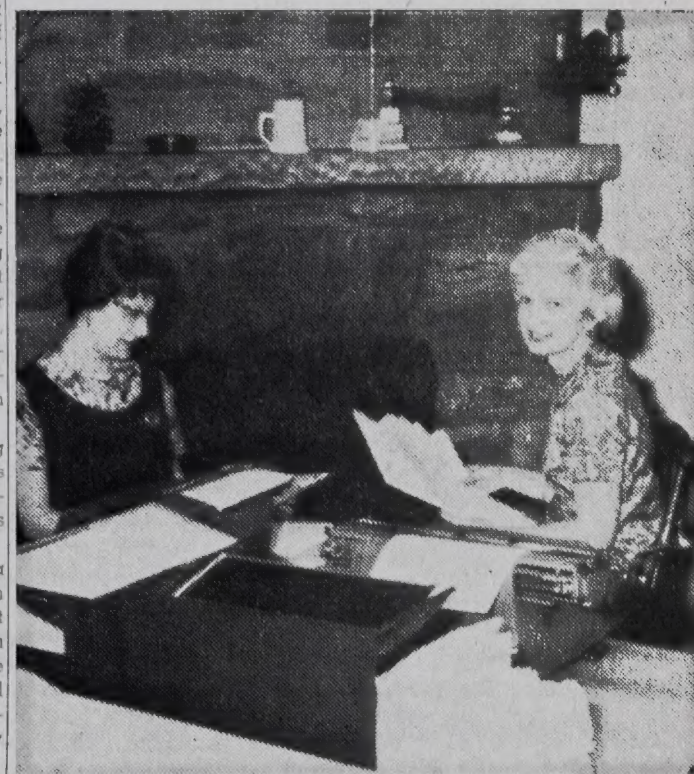

Earl is a family man, enjoying nothing better than spending his leisure hours with his wife Marilyn, and four children, two boys and two girls.

Earl's thoughts on this area are, that over the next generation it will remain strictly tourist, but will develop into a 12 month business. He hopes within the next ten years the county will have its own county court jurisdiction, this to include a county judge and sherriffs office.

Earl is a sincere, dedicated lawyer, and we can be happy he has made Minden his home to practise law.

Although Mr. Palmer handles many phases of the the law practise, he is called on for counsel many times. He is pictured above discussing a real estate transaction with Mr. J. Lorne Dawson, of Minden.

Shown here are secretaries Mrs. Ruth Brown and Mrs. Janet Heath, as they go over much paper work together.

UNICEF DESERVES SUCCESS

How old must one be to share in the honors of the Nobel Peace Prize? Just old enough and tall enough, it would seem, to be able to reach for a doorbell and ring it on Hallowe'en.

Provided, of course, it is under the auspices of the United Nations Children's Fund, which was granted the lofty award just a year ago for saving children's lives ever since its foundation, on December 11th 1964.

Half a million Canadian boys and girls, from coast to coast, are getting ready to celebrate UNICEF'S twentieth anniversary by showing greater enthusiasm than ever before in collecting Hallowe'en pennies, nickels and dimes. In months to come these will be transformed into vital supplies, equipment, medicines and vaccines for more than 100 under-developed countries around the world.

The "Hallowe'en for UNICEF" program has features to please people of all minds. In keeping with the traditional Hallowe'en spirit of goodwill and generosity, each Canadian can help UNICEF to continue its vital work by participating in the "Hallowe'en for UNICEF" program.

For the youngsters themselves, it is a fine opportunity to combine their traditional fun with a constructive, rewarding activity all their own — "the world's greatest effort by children to help children."

For the parents, the venture has reassuring aspects of safety and planning since the participants can remain in small groups, and be escorted and supervised.

Educators appreciate the program's pre-Hallowe'en period of all, when their students are stimulated into showing interest for, and better understanding of, other children's living conditions overseas.

Policemen, firemen and other civic authorities appreciate the fact that wherever a well organized UNICEF program prevails, they can worry less about vandalism and senseless pranks.

Last but not least, for ministers, priests and rabbis, the motto "Share rather than Scare" takes Hallowe'en away from some of its least desirable connotations — when young people devote their energy and leisure time to helping others, it can well be said that they are taking part in a constructive, beneficent endeavor.

Some idea of what our boys and girls will accomplish, with our community's generous co-operation, may be found in the fact that every day UNICEF's jeeps, trucks and other vehicles travel roughly the distance of 30 times around the world, or four times the distance from the earth to the moon. If they held hands at the Equator, the children and mothers helped by UNICEF each year would circle the world — The dried milk shipped by UNICEF would fill the United Nations building more than 25 times.

The organizers of the local "Hallowe'en for UNICEF" program most certainly deserve that their selfless and efficient efforts should meet with unqualified success.

LETTER TO THE EDITOR

Granny Speaks Out Once Again

Kingston, Ont.
October 12, 1966

Dear Sir:

Lets dream — that is still tax free, dreaming you know, and lets dream big, while we are at it. Suppose each of us, housewives, take a plant of ivy and go to our town's washroom (or would it be called rest room, or what) and plant our ivy's all around the somewhat crude building. Try to picture it, how that house will look, all covered with nice ivy. Our very own Hall's of ivy. Lets, then add a bright colour, maybe striped, awning over the door, I promise to make the awning, I'll make deep scalloped edges on it too. Now, lets find a carpet manufacturer, who we talk into advertising their outdoor carpeting by installing wall to wall carpet on the outside steps leading to our Halls of Ivy. Next lets paint the doors bright pink and blue enamel. No, soft pink and blue would be better, don't you think?

Then we find another manufacturer who would jump at the opportunity to advertise their products and install fancy cleaning locks on the doors, the kind that only open after one feeds it with coins. Gray Hound does it, so do the Railroads, why not us? Oh, lets make it a quarter a visit, we might not make much money, but we would not have as much perfumed air around next summer. To complete our project, lets have a sign, in lovely antique letters, swinging smartly and saying something like "Relief Centre" Can't you just picture it and think of the publicity, to our town. They surely will write about this coast to coast.

Next, lets have silver collection and spend all we can get on hollyhock seeds. Hollyhocks do grow from seeds don't they, I really am so hopeless when it comes to gardening, but I do know that if we planted lots and lots of hollyhocks across the street from our library, all the way to Anson street we would have something different to look at than we had last summer and the home owners on Anson street — such lovely homes they have there — would be pleased, I am sure.

Lets be thankful for ever so many things, for instance the fact that we could, last summer, shop with no music, at least while I happened to be in town, the loudspeaker was blissfully quiet. Usually I have tried in vain to think what was on that grocery list I had, and of course, forgotten on the kitchen counter, while Sinatra has filled the air about love — that never dies, or longing that never eases. Of

course, last summer he finally did find out all about love, didn't he? What ever the reason, it was very nice to come to town and not have the air filled with mournful endless love. To us old-ies, a brisk march might be better idea, if we must have noise. Lets — be proud, seriously, of our public buildings — they do deserve it you know. Like our (Continued on page 13)

SPORTS

WITH BOB BEENEY

Haliburton Hockey Haven is featured in an article that appears in the October 22 issue of the Star Weekly. The article outlines in detail all aspects of a youngsters holiday at the camp that is situated on Koshlong Lake near Donald.

The camp not only provides Hockey instruction, but many other recreational activities that no doubt make a week or two at the camp very delightful. From reading the story I was lead to understand that perhaps the hours at the camp might possibly overshadow the hockey instruction at the Haliburton Arena. Some children from the Minden Minor Hockey Association attended the Hockey Haven but took part in the hockey instruction only. From all reports I have heard in the last month, all of the kids enjoyed the instructions taught by the N.H.L.'ers. However some of the coaches from the Minden Minor Hockey Association found some faults in the coaching procedure that took place.

At times there would be but one coach on the ice taking care of a large group of youngsters, and at one time, one of the coaches sat in the stands with a whistle and tried to control the instruction from there.

In all fairness to the staff at the school it must be quite a chore to spend the complete summer coaching hockey after spending eight months playing the game for a living.

From what I heard over the summer it seemed Ron Ellis was one of the favourites with the kids and his instruction was listened to by the youngsters.

From articles I have read the conclusion that I come to is that it is a good summer camp with an extra included in the form of hockey instruction. However this type of camp can not be classed as a hockey school since it seems that hockey is secondary to activities at the camp.

I don't believe that hockey schools will better the type of hockey players as far as star material is concerned, although they will likely produce more average class hockey player.

* * * *

Another article I read with considerable interest appeared in the Toronto Telegram this week and was written by Bob Pennington. It dealt mainly with a stick swinging incident between two professional hockey players. Scotty Morrison referee-in-Chief took exception to the penalties given to the players. In the article Mr. Pennington explained the penalties handed out in other countries to this type of infraction of the rules.

Somewhere between Little N.H.L. minor hockey and professional hockey a drastic change seems to take place in most hockey players. Minor league coaches teach youngsters to play, clean, be gentlemen and respect their opponents, however some where along the way the dirty dollar takes over and all these rules of respect to others is thrown out the window.

There is nothing better to watch than a rough two way hockey game as long as it is clean but it seems every year these games are becoming in the minority.

* * * *

Tonight hockey registration in the Minden Minor Hockey Association, takes place at the Minden Arena, at 7:00 P.M.

* * * *

All You Intermediate Hockey players take note: — There will be a meeting her in Minden, at the Arena, Friday evening, at 8:00 p.m. Anyone interested in Intermediate hockey for this coming season, make sure you are on hand. That's this Friday, (tomorrow night) at 8:00 P.M.

A short week, with Monday, but — the other four days filled up very well — with good old term tests! Thank, someone — that we don't have those to study for every week. We can hardly wait until Parent's Night, seems to be one of the most interesting family outings of the year — for some of us, anyway. When Mom and Dad have the pleasure of meeting the teachers they've heard praised, sworn about, laughed at, and even viciously slandered — and judgment is passed once and for all — but upon whom??? Don't seem to be quite so exciting now that we students get to attend the trial — and yet, once in awhile it's worth it! And there's always the excuse that — "Ah, Dad, those tests don't mean anything — just wait til Christmas." And so they grin and bear it — while the diligent (?) student burns his night light for hours — after Parents' Night!

Seems the clubs are really getting active this year — the French Conversation Club held a dance in Room 31 last Friday noon for those who might endeavour to carry on an extra curricular activity in another language — it's worth at least a 99 per cent at Christmas, non? Anyway, come to the others and have fun (in French, too) while you support a worthwhile club. Good luck, Mr. Chevier! What's this I'm hearing about the Centennial Project of H.H.S.S.??? Would you believe a trip to EXPO?? It will certainly be worth the car washes, etc. Ah, please Mon, please can I go???

Don't forget Commencement on Saturday night — there's a dance afterwards too.

SHOWER

Last Saturday, October 15th, saw Miss Susan Berry honoured by a shower of gifts prior to her wedding. The Minden United Church Hall was very prettily decorated for the occasion.

Feature of the evening was the Mock Wedding with those taking part, Clergyman, Chris Lazier, Bride Elva Deacon, Groom Lola Prentice, bridesmaid, Shirley Colliss, Best man Ina Brintnell, Father of the bride Mary Cox, not forgetting flower girl, Edna Morgan. This was a very good skit and enjoyed by all.

After the gifts were opened, Susan thanked all for their lovely gifts. A delicious lunch was served by the ladies of the UCW

TRAIL RIDE SUCCESS AT KINMOUNT

The Annual Fall Kinmount Trail Ride was held on the Kinmount Fair Grounds recently, and was a big success.

The Ride was organized by the Lindsay Horseman's Association with Wm. Scott M.P. as host.

About thirty horses took part in the many Western games which were enjoyed by the many spectators.

The weather was ideal and the fairgrounds are suitable for an occasion such as this as the ground there affords very good footing for the horses.

Lutie-Ann Anderson from Dunsford won the Trophy for participating in the most events of the day.

After the many Western games the riders went on an eight mile trail ride. On their return refreshments were served by Betty Scott, Beryl and Norman Gilmore, Wayne Scot and Doug Anderson from Schomberg.

Important announcement for electricians, air conditioning and refrigeration workers

The Apprenticeship and Tradesmen's Qualification Act, 1964 requires journeymen in the Electrical, and Air Conditioning and Refrigeration trades to obtain Certificates of Qualification by October 31st, 1966. *The deadline has now been extended for six months to April 30th, 1967.*

This extension does not affect the normal renewal periods for these trades which are: Electrical trade—January-February; Refrigeration & Air Conditioning—May-June. Tradesmen who have not already applied for their initial Certificates of Qualification should do so as soon as possible.

Applications should be forwarded to:

ONTARIO DEPARTMENT OF LABOUR,
INDUSTRIAL TRAINING BRANCH,
74 Victoria Street,
Toronto, Ontario.

KINSMEN WILL CAMPAIGN MONDAY EVENING, HELP THEM FIGHT CYSTIC FIBROSIS A MOST CRIPPLING DISEASE

The Kinsmen will be calling at your home between the hours of 7 and 9 o'clock, Monday night, October 24th, to sell Halloween Candy.

This campaign is to help raise funds for their club project to fight Cystic Fibrosis.

For several years, members of the Canadian Cystic Fibrosis Foundation have worked hard to be sure that adequate diagnostic and care facilities are available and that the financial burden of care is reduced. In many parts of the country, these goals have been achieved.

This accomplishment, however is only the beginning of our job — not the end.

When cystic fibrosis is finally under control, the elaborate care network that we have built will be required no longer.

But — until then, our program is research!

There is no room for regionalism in research.

Under the capable direction of the Foundation Medical Advisory Board chaired by Dr. Harry Medovy of Winnipeg funds raised in all parts of Canada are allocated to medical centres in all parts of the nation, regardless of geographical location.

We need more members, not fewer. We need more Chapters, not fewer. We need more money, not less.

This is the cry of need to fight Cystic Fibrosis, and the Kinsmen Club here in Minden are doing their part to make this very worthy need become a reality.

So when they call on Monday night, please keep in mind the great work they are doing.

KINETTE CLUB HERE HOLDS MEETING HAS BUSY AGENDA

On Tuesday evening, October 11th, the Kinette Club of Minden entertained several Kinsmen's wives and guests at the Modern Aire Restaurant. Business under discussion was the forthcoming Kinette Rummage Sale to be held in Marie Cox's Wool Shop, October 29th, proceeds to help support various welfare organizations.

Two new Honorary members, Jeanne Harvey and Betty Harris, were welcomed back into the Club.

The Kinettes have, so far this year donated \$100.00 to the Kinsmen's Welfare Fund; \$25.00 to the local Mental Retardation Fund; and \$25.00 to Cistic Fibrosis.

Also discussed was the Centennial Project, The Zone "C" Kinette Inter-Club to be held in May 1967 at the Chateau Woodlands when the Minden Kinettes expect to entertain well over 100 Dollo.

Following the business meeting the ladies enjoyed a game of Whist. Prizes were won by Cathie Magee, Chris Dollo and Louise Dollo.

GRANNY SPEAKS OUT

(Continued from page 4)

nice and always neat Post Office. Some other towns I visited last summer have such stuffy old buildings, not ours, it's a pleasure to visit our Post Office with a staff who always greets you with a smile, even on those hectic summer days. Another place is the bank, I think the atmosphere is spirit lifting and makes the never failing shock of short balance bearable. Oh where does the money go, they make it so slippery these days. The front lawn entrance to our bank is something we proudly point to, to our out of town guest's "See that's our bank". I always find myself doing that, just as I always try to hurry them past the

washroom building and if they do ask, "What is that?" I act surprised and say, "Goodness, I don't know, it was not there yesterday, must be something unfinished."

Who could resist bragging and driving visitors to see our imposing Senior Citizen's Home, I look forward of seeing it landscaped next summer, and then there is our wonderful Hospital, it gives one such comfort to know its there with the wonderful people that run it. I can't dwell on this as I might go on forever, I spent a month there one summer, and still get misty-eyed remembering how wonderful everyone was to me.

Do, if you haven't yet — pay attention to our nice and inviting information centre on 35, who ever takes care of it, knows how its much nicer than many others

one can see around. I don't know if the credit for this belongs to our town, but lets take it anyway and proudly direct strangers there. And tell me, is there another town that has, right at the heart of it such a picturesque street, as we have along the river, with lovely homes and those weeping willows reflecting on the river, and a golf course, so beautiful, it comes alive right out of a picture post card.

Mr. Editor, the way this type writer wants to go on and on, when I am missing Minden — you shall owe me so many cups of coffee, you better start grumbling about those prices in earnest, perhaps join the ladies in the food prices boycott movement?

Yours truly,

Granny Aile Schneider

There's a good chance that you do. He gets around quite a lot and he knows the community very well. That's part of his job.

He's the manager of your local branch of Canadian Imperial Bank of Commerce. And he's a good man to know. For help with financial matters or for sound advice, on anything to do with banking, he's the man to see.

If you haven't already met him, by all means call in soon. He'll be glad to see you.

BIRTH

Finn. Carole and Donald are pleased to announce the birth of a daughter, Erin, at Peterborough Civic Hospital, on Sunday, Oct. 16, 1966. Mother and daughter are both in excellent condition.

WEDDING

SHAW — ROBINSON

The Minden United Church was decorated with white and coral gladioli on Saturday, September 10 at 4 p.m. when Janice Elaine daughter of Mr. and Mrs. Phillip Robinson of Minden, became the bride of John Frederick son of Mr. and Mrs. Charles Shaw, R.R. 1, Minden.

Rev. James Cargo officiated at the double ring ceremony. The soloist Miss Diane Earl, friend of the bride, sang "I'll walk beside you" after the bride's mother was seated and "O Perfect Love" during the signing of the register. She was accompanied by Mrs. Elgin Stouffer.

The bride who was given in marriage by her father, wore a floor length gown of white rayon taffeta enriched with lace appliques and with lily point sleeves. The shaped waist released deep pleats at the back. Her shoulder veil of nylon tulle was held in place by a band of dainty white roses centred with simulated pearls trimmed with pearly tear drops. She carried a bouquet of white chrsanthemums and yellow sweetheart roses.

Miss Lorraine Precor of Gelert was the maid of honour wearing a street length gown of blue nylon tricot over rayon taffeta featuring a shirred cummerbund with an acetate and nylon lace bolero worn over the gown.

Lorraine's white hat was wedding ring shape of rayon alpaca

trimmed with a grosgrain bow over her short veil. She carried a basket arrangement of yellow and white chrysanthemums.

Mr. John Cummings of Lindsay brother in law of the groom was the best man and the ushers were Mr. Basil Walker of Fenelon Falls, cousin of the groom and Mr. Bradley Robinson, the bride's brother.

For the reception held in the church hall the bride's mother received wearing a dark beige suit of silk shantung and white accessories and a corsage of red carnations. She was assisted by the grooms mother who chose a suit of white and pink bonded knit with white accessories and a corsage of pink and white chrysanthemums.

For a honeymoon to the Muskoka Lakes, the bride donned a yellow linen weaved suit trimmed with lace with white accessories and her corsage was of yellow sweetheart roses.

Mr. and Mrs. John Shaw will be residing in Minden. Out of town guests were from Lindsay, Bowmanville, Toronto, Cambridge, Orillia, Queensville, Kinmount, Fenelon Falls, Carnarvon and Lochlin.

Prior to her wedding, Janice was honoured with a miscellaneous shower at the Minden United Church Hall, another in Lochlin United Church and a trousseau shower at the home of Mrs. Charles Brandon.
